## General Information

---

Extreme Indoor Karts is a place where everyone can have fun! We are able to accommodate groups ranging from 1 to 60 people - for groups larger than 60 please contact us and we can explain what options you have.

Children are welcome to come along and try go karting for the first time, our karts are designed with safety in mind and our track is definitely one of a kind!

### **Some importance information to keep in mind:**

Minimum Age: 10 yrs  
Minimum Height: 1.45 m  
Maximum Weight: 120 kg

### **Safety Gear:**

Hairnets and helmets are provided by us to all drivers.

It is compulsory to drive with closed toe footwear. This is an OSH safety requirement and will be strictly followed.

### **Catering & Refreshments:**

Food and drink vending machines are on the premises which customers are welcome to use.

We also have a BBQ area with tables, chairs and 2 BBQ's available for hire for \$20.

### **Deposit:**

For all group bookings we require a deposit of \$150 1 week from the booking date; on the day you have a choice of using the deposit towards the race or we can refund this back to you.

Please note: The deposit is non-refundable if you do not turn up or if you turn up with less than the minimum numbers required to do a race.

## Individual Racing

---

The individual racing events are aimed at groups of 8 to 10 people. During the following races everyone drives on the track at the same time.

Minimum number of people: 8  
Maximum number of people: 10

### Our scoring system:

Points are assigned to each driver depending on their position at the end of the race. The winning driver gets 1 point, the losing driver gets 8, 9 or 10 points (depending on how many drivers you have in total).

At the end of the races we total up the points and whoever has the least amount of points is the overall winner. The overall winner will get a prize from us!

## Teams Racing

---

Teams Racing is aimed at groups of between 12 and 60 people – we are also able to do custom race setups for larger groups.

The prices displayed below are per team. For example if you have 2 drivers per team, the cost can be worked out like this: team price/no of drivers. Eg.  $\$120/2 = \$60$  per person.

Race	Race Information			Price
	No of Laps	Min Numbers	Max Numbers	
<b>Bathurst</b>	80	12 People 6 Teams	40 People 10 Teams	\$120/team
<b>Bathurst Cruiser</b>	80	12 People 6 Teams	40 People 10 Teams	\$120/team
<b>Bathurst90</b>	90	12 People 6 Teams	30 People 10 Teams	\$130/team
<b>100 Lapper</b>	100	12 People 6 Teams	40 People 10 Teams	\$140/team
<b>Indy120</b>	120	12 People 6 Teams	40 People 10 Teams	\$165/team
<b>Le Mans</b>	150	14 People 7 Teams	50 People 10 Teams	\$185/team
<b>Enduro</b>	200	14 People 7 Teams	60 People 10 Teams	\$225/team

The races outlined above are our usual setups that we run for groups. If you have an idea of something different that you would like to do please feel free to contact us. For example if you prefer splitting up a large race we are definitely able to do this for you.
